Safety Rules
The success of the Urbandale 4th of July Parade depends on you, the participants. The following rules will provide a safe and successful 2017 parade for entrants and spectators.

Police and Safety Patrol
• Their role is to help with safety issues.
• You must comply with their requests for the safety of parade participants and spectators.
• If you do not comply, your parade entry will be required to leave the parade route.

Candy Distribution
• Candy and other items may not be thrown from the vehicle, float, trailer, etc.
• Walkers must walk to the curb and distribute candy to spectators. This will prevent the safety hazard of children darting into the street to retrieve candy.
• If you do not comply, your parade entry will be required to leave the parade route.
• Peanuts are not allowed because of possible allergic reaction.
• No squirting or spraying water or throwing water balloons at spectators.
• No semis allowed because of obstructed views.

Entries Larger Than a Pickup
• There must be walkers on all four corners of the vehicle.
• Walkers must communicate to the driver when it is safe to resume driving. This will ensure the safety of children who may dart into the street to retrieve candy.

Ball Teams
• An adult must supervise from the trailer or back of the pickup.
• Ball teams without adult supervision will not be allowed to enter the parade route.

Gaps in the Parade
• Ensure that there are no more than 3 to 4 car lengths between your entry and the entry ahead of you.
• The safety patrol will ask lingering entries to close the gap.
• If you do not comply, your parade entry will be required to leave the parade route.

Any violation of the above rules may result in a ban from next year's parade
