

Pat Pithan

Pat Pithan is currently Director of Sales and Consulting at MMIT Business Solutions Group (formerly M & M Sales and Imaging Technologies). He has been with MMIT since 1986. Prior to his current position he spent many years as a Major Account Manager and Territory Business Manager. Pat is especially proud of the fact that his staff currently serves the needs of over 1,500 businesses in the central Iowa area. He provides them with their office equipment and IT technology needs.

Pat resides in Urbandale with his wife, Katie, and their two daughters, Jaime and Jennifer. Katie is currently a substitute teacher in the Johnston School District. His daughters are currently attending college at the University of Northern Iowa and the Drake University Law School.
