Day 1: Depart the USA

We begin our discovery trip today with our flight to Iceland. Sit back, relax and enjoy all the in-flight amenities.

(In-flight meals available for purchase)

Day 2: Arrival in Reykjavik

Upon arrival at Keflavík Airport, meet your guide and set off to explore the Reykjanes Peninsula. Your first stop is the Bridge Between

Continents, where you can walk between the North American and European tectonic plates. Next, visit Reykjanesviti Lighthouse, a picturesque site offering stunning photo opportunities and dramatic cliffs. Continue to the colorful Gunnahver geothermal field before making a stop at Lake Kleifarvatn, a striking body of water with black sand beaches and volcanic surroundings. Afterward, head to your accommodation in Reykjavik. **(D)**

Day 3: Reykjavik City Tour

After breakfast, embark on a guided coach tour of Reykjavik, a modern city known for its clean air and natural energy. Explore highlights including The Sun Voyager Sculpture, Hallgrímskirkja Church, Harpa Concert Hall, Laugavegur Shopping Street, The Icelandic Parliament, Höfði House, and Perlan. Enjoy panoramic views from Perlan's observation deck and visit the Wonders of Iceland Museum, featuring an indoor ice cave and a 360° northern lights experience. **(B)**

Optional Excursions:

The National Museum of Iceland – A deep dive into 1,200 years of Icelandic history, from Viking heritage to modern culture.

Day 4: Sky Lagoon

Indulge in relaxation at the Sky Lagoon, a breathtaking oceanside geothermal spa. Unwind in the warm waters while admiring the dramatic North Atlantic Ocean. Enhance your experience with the seven-step Ritual, designed to rejuvenate body and mind. Tonight, venture out into the countryside to search for the magical aurora borealis on a Northern Lights hunt tour. *(date subject to change due to solar activity).* **(B)**

Optional Excursions:

Whale Watching – Set out from Reykjavik for an educational whale-watching adventure with expert guides and hands-on exhibits.

Day 5: The Golden Circle & Hellisheiði Power Plant

Begin the day at Hellisheiði Power Plant, where you'll learn how Iceland harnesses geothermal energy. Then, embark on the famed Golden Circle route, starting at Þingvellir National Park, where the Mid-Atlantic Ridge is visible on land. Walk through Almannagjá gorge to the historic Alþingi, the world's oldest parliament. Continue to Gullfoss, a majestic waterfall, and then visit the Geysir geothermal area, home to the erupting Strokkur geyser. **(B)**

Seljalandsfoss

Day 6: Day at Leisure

Enjoy a free day to explore Reykjavik at your own pace. Though Reykjavik might be small, it is still a vibrant city full of culture and activities. **(B)**

Optional Excursions:

Blue Lagoon – Another chance for relaxation in Iceland's famous geothermal spa.

Friðheimar Greenhouse & Stable Visit – Learn about sustainable farming and meet Icelandic horses.

Day 7: The South Shore & Skógar Folk Museum

Travel along Iceland's stunning South Shore. Stop at Seljalandsfoss and Skógafoss, two of the country's most picturesque waterfalls. If conditions allow, walk behind Seljalandsfoss for a unique perspective. Pass Mýrdalsjökull Glacier en route to Reynisfjara Beach, known for its black sand and striking basalt columns. Cross the Eldhraun lava field before visiting Skógar Folk Museum, where you'll explore Iceland's cultural heritage through historic buildings and artifacts. **(B)**
